Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on 8/2/2004 is not fully responsive to the prior Office action because the applicant has elected claims 19, 26-39, 43, 52, 55-56; all of the elected claims are dependent claims and none of the independent claims are genereic and hence there is no indepenent claim for the examiner to consider with the elected dependent claims. applicant must provide examiner with a new independet claim that read on the elect speices or change the species elected. Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a). If a notice of appeal and the fee set forth in 37 CFR 1.17(e) were filed prior to or with the payment of the fee set forth in 37 CFR 1.17(r), the payment of the fee set forth in 37 CFR 1.17(r) by applicant is construed as a request to dismiss the appeal and to continue prosecution under 37 CFR 1.129(a). The appeal stands dismissed.
